

DATA STRUCTURES PROJECT REVIEW TEMPLATE (50% COMPLETION)

Project Mid Review Evaluation Sheet

1. Student Details first slide

Project Title
Student Names
Roll Numbers
Branch / Section
Guide Name
Review Date

2. Project slides

Abstract
Problem Statement
Objectives of Project
Domain/Application design
Selected Data Structures
Programming Language Used
Software/Tools Used
Sample Input/Output Shown

3. Demonstration Checklist

Criteria	Status
Problem Statement Clearly Explained	Yes / No
Working Prototype Available	Yes / No
Data Structures Properly Used	Yes / No
Code Execution Demonstrated	Yes / No
Sample Input/Output Shown	Yes / No
Database Connectivity (if any)	Yes / No
Error Handling Implemented	Yes / No
UI/Interface Developed	Yes / No

4. Evaluation Rubrics

Parameter	Marks
Problem Understanding	10
Use of Data Structures	15
Algorithm Design	15
Coding Progress	15
Innovation / Creativity	10
Demonstration	10
Documentation	10
Presentation Skills	10
Total	100
